Volume IX, Issue V

## Editorial

By the time this newsletter is read by Sydney Chinese Lions, Lion Dr Anthony Cheung will have returned to Sydney from the LCI International Convention in Toronto, after having been formally inducted as the District Governor of District 201N5 which covers the Sydney Metropolitan area and Norfolk Island.

On Saturday, 19 July, we were expecting two Lion dignitaries, Immediate Past International President and Chair of the Lions Club International Foundation Lion Barry Palmer AM and Past International President Lion Wing Kum Tam MBE to officiate the Joint ChangeOver of eight Chinese Australian Lions Clubs. Regrettably, PIP Tam had to cancel his trip downunder as the inclement weather in Beijing prevented

him to take his flight as originally scheduled. However, for the new Boards of Directors of the eight Clubs to be inducted by an Australian Past International President is indeed unprecedented. We hope to see many of you as possible at this historic event on 19 July at the Zilver Restaurant.

On the evening Saturday week (26 July), District N5 will be holding its ChangeOver at the Blacktown Workers' Club. Sydney Chinese Lions are having a busy social schedule this month.

July is the beginning of a Lions' Year and financial year for Lions. All are reminded that our annual fee is due and payable. Please keep your Lion membership financial at your earliest convenience so

that the accounts can be finalized in good time.

Moving forward another two weeks - on 9 August, a barbecue for members and friends of Sydney Chinese Lions will be held at the Clarks Point Reserve, Woolwich (UBD Map 5, L11). Please bring your family and friends along to enjoy the nice Sydney weather of the Winter afternoon. For further information on this barbecue please contact our President Lion Jason.

Dear Lion ANTHONY,

It is truly an honour to serve as your new international president of Lions Clubs International. With my 40 years of service as a Lion, I know that we are much more than volunteers. We're an international family working together to strengthen our communities and the clubs we love. Being a Lion has meant so much to me, but I wouldn't be in the position to serve this great association if someone hadn't asked me to become a Lion. I was just a 21-year-old starting a career when a local businessman invited me to lunch. He didn't tell me where we were going, but he took me to a lunch hosted by my local Lions club. It was such a great experience, and the club invited me back to the next meeting...and the meeting after that. And before long, I was a Lion. As Lions, it's our mission to serve, but it's also our duty to ask new members to join our clubs. I hope you will join me in strengthening our membership and our service throughout the year. Together, we can strengthen the pride! Together in service,

Joe Preston

Joseph "Joe" Preston, of Dewey, Arizona, USA, was elected president of Lions Clubs International at the association's 97<sup>th</sup> International Convention held in Toronto, Canada, July 4 through 8, 2014.

# We Serve

The Lions Club of Sydney Chinese Inc. is a member of Lions Clubs International, an international non profit community service organization, upholding a common motto "WE SERVE". Today, there are Lions clubs in 208 countries and geographical areas all over the world. In District 201N5, which covers the Sydney area and Norfolk Island, there are some 70 clubs with around 1,650 members. Amongst these, there are around 7 Chinese-based clubs. Sydney Chinese Lions is the first of these Chinese-based clubs chartered in April 1995.

Over the past eighteen years, under the leadership of President Jason Zhang, Past President & District Governor Elect Dr Anthony Cheung, Past President Mei Cheng and other Past Presidents, in conjunction with the relentless effort of its members, and on top of all these, the generous donations and sponsorships received from the community, the club has donated over \$550,000 to a number of charities including the Royal Flying Doctor Service of Australia, St John (NSW), the Australian Red Cross, Lions Clubs International Foundation, Care-Flight, the Sir David Martin Foundation, the Fred Hollows Foundation, Westmead and Concord Hospitals, the Children's Mobility (Hart Walker) Foundation and the Elderly Australian Chinese Homes. Thousands have reaped the benefits. The club is also mindful of the well being and good health of the community, hence they have in place their annual health seminars, teal ribbon scholarships and traditional Chinese Medicine Research Scholarships.
