VOLUME VI, ISSUE VIII

28 SEPTEMBER 2009

Editorial

In this issue, you'll find correspondence from International President Eberhard Wirfs on Page 2, DG Beryl Payne on Pages 4-6 and Past President Pirkko Naukkarinen of LC Järvenpää Ainot on Page 3

At our September Members Meeting, Dr David Zhan Wu and Ms Jasman Pang were inducted as our newest members. Congratulations to them!

At our October Meeting, Lion Dr Danforn Lim will be speaking about Liver Cancer and Cervical Cancer. The session promises to be an interesting one as we still have fond memories of Danforn's amusing yet businesslike presentation on the Swine Flu in the July meeting.

The deadline for applying for our Teal Ribbon Scholarship Scheme

2009 is 30 September. Please help promote the project with interested parties. At the September Board Meeting, members of the Vetting Panel were nominated and approved. They are Dr Danforn Lim, Dr Lisa Cheng, Dr Anthony Cheung, Ms Janet Hung and Ms Eileen Zhang. Details of the Scholarship in Chinese are provided on Pages 7 - 9.

On 5 September, we visited the Indo-Chinese Elderly Hostel. Both the elderly there and our members had a lovely time. 4 students from the University of Sydney accompanied us as reporters. They are Rachel Lam, Joanna Liu, Ntsiuoa Sekete and Trang Pham. Their reports on the visit are published on Pages 9 - 13. We thank them for their contribution and efforts.

Looking ahead - there are 2 functions that President Mei would like to invite you to attend. The first is the District Convention on 13-15 November at Bomaderry and the second is our Christmas Party on Wednesday, 9 December at Zilver Restaurant. Do join us if you can and don't forget to RSVP Secretary Crystal if you are coming.

Currently, preparation for Charity Ball 2010 is well underway. President Mei is appealing to all members to donate prizes for silent auction and raffles. The former should have a value of \$300+ and the latter \$50+. Our help in this major Serving project of our Club is much needed. President Mei can be reached on 0412 336 323 and she looks forward to hearing favorably from each one of us soon.

A Letter from Our International President

Dear Lion Mei-ha,

As we know, growth requires movement -- but not just random movement! Movement without a plan wastes time and energy, and because time is short and our responsibilities are great, we can afford to do neither.

As leaders we must focus our energies and coordinate our movements in specific areas, especially the critical task of increasing membership in existing clubs and improving the retention of members. While we have had a great start to our Lionistic year, with a record number of new clubs and an overall net growth of 3,750 members worldwide through August, I have just now challenged our DG Teams to focus on increasing growth in existing clubs between September and December of this year. Let me share some ideas with you because it is you - our club leaders - who know the challenges and how to succeed.

A good place to start is the Family Membership Program which has had great success. The program has done much to invigorate existing clubs and help form new ones, but sometimes clubs need help in implementing the plan. So below you will find some excellent guidelines and new materials.

Just imagine if our 45,000 clubs grew by only one or two members in the next four months? It would not only make history for our great association, but it would also create a brighter future for the millions who need our service. I know you can do it.

With gratitude and best wishes for success in all you do.

With cordial regards,

*Eberhard J. Wirfs,
International President

A Letter from our Twin Club

Järvenpää Ainot, Finland

Dear Lions friends in LC Sydney Chinese!

Best greetings from your twin club LC Järvenpää/Ainot. My name is Pirkko Naukkarinen and may be you remember my name, because I wrote you two years ago.

Now it is my turn to tell about our club and about our happenings.

Our 38 women members have been in meeting just once in August in our president's home. Our sweet President Tuulikki organized a very nice party with eating and wine. Beside enjoying that meal we decided the future. The next week we have our September meeting in our old place in Restaurant Rivoli in Järvenpää.

**PP Pirkko
Naukkarinen**

The next weekend some members of our club will be in Tampere-city (in Finland) in Lions European Forum. It will be an enormous great meeting!

In November our club will organize a very big concert in Järvenpää-house. There will sing one of the most popular artists in Finland: Arja Koriseva. Soon we are starting to sell the tickets. It is our biggest "happening" in this year. Next March we will organize dancing-party in the year 60s-style. (last year we had the 50s-style). It was a success! We all had fun!

Those two are the most biggest things to do. Of course we do many little ones also. We also try to meet our members in exercising our bodies and "head" once in the month. We go to swim or to bowling or to forest together. It is nice to meet lions out of formal meetings. We learn better to know each other. Some of us have started to dance "latinos" together. One member of us is a teacher of dancing and we try to learn the right steps of each dance. It is good to body and head and fun! (I like it).

Next February we celebrate our 15 years birthday. We have started to plan how to celebrate that day. I think that our feeling and energy in our club is so good in this year that we shall have a nice year! I hope it same to you also!

Best regards to everyone in your excellent Club

Hi everyone, and welcome to a new Lions Year. I do hope you are all daring to serve and ready to "Move to Grow"

The **International Convention held in Minneapolis** was **FANTASTIC !!** What a wonderful experience this was. All those wonderful Lions from around the world, all with the same ethic, "to make a difference!". The opening and closing ceremonies were so incredible and something I will never forget. Being entertained by the Beach Boys was certainly a wonderful experience. Listening to Colin Powell, who spoke at the convention, was another highlight. IPP Al and Maureen were quite emotional at the end, and received a wonderful ovation for their dedication to the Lions organisation

International President Eberhard Wirfs was inspiring with his "Move to Grow" theme, Challenging all Lions to "stretch in our dreams" our plans and our **ACTIONS**. He also entertained us by playing the piano. Music is one of President Eberhard's loves and he played his "theme" song "Wooden Heart" quite often and we all sang along. As incoming Governors from all around the world, many friendships were formed, often by sign language. I would like to encourage you all to attend the **International Convention in Sydney** being held from 28 June to 2 July 2010. You will be so sorry if you miss it.

International President Eberhard & Margit Wirfs

The **Incoming Club Officers Forum** was held on 31 May and was well attended and I believe all who attended left with new ideas and lots of enthusiasm. Congratulations to all our Forum Presenters, especially Martin Orchard, Doreen Moore and PDG Carol Alderson, Cab Sec Margaret & Reg Walker.

At the **Cabinet Officers Training** at the weekend in Newcastle we became a **TEAM**. There was **FUN** and lots of learning. **YOUR CABINET IS READY TO SERVE OUR DISTRICT.**

Since returning to **Australia** I have conducted a change over for **Redfern-Waterloo Lions Club** and inducted two new members. **Welcome and Congratulations**

Special Guest Toni Larmond

Also, **Sydney Inner West Lions Club** invited me to conduct their changeover and induct two members. **Welcome and Congratulations**

LIONS IN SIGHT

Lions are known for their SIGHTFIRST activities. But they are not IN SIGHT of the general public. International President Eberhard has asked that during the last two weeks of January 2010, (11-24), all clubs

to organise one significant public relations activity. This date was chosen as a mark of respect to our founder, Melvin Jones whose birthday falls within this period.

You are encouraged to be creative. You Can have a theme. Showcase your favourite service program, or unique project in your community.

Invite the general public. Provide "giveaway" items. Call attention to your project by using special signage and banners. Anything that makes people ask, "WHO ARE THE LIONS?"

LIONS – MAKE YOURSELF VISIBLE WHILE MAKING A DIFFERENCE IN YOUR COMMUNITY!

Why not start planning for this now, maybe join with other clubs, have a Zone or Region activity.

Share our message of global humanitarian goodwill with others and
Move to Increase Public Awareness!

"The Power of Peace" is the theme of the 2009-2010 Peace Poster Contest. Please contact Lion John Chate for further details.

International President Eberhard is a great supporter of our Youth Projects. He has launched the Lions Clubs **International Global Youth Music Competition**. A global music competition, especially for the youth. This year the instrument is the violin, so if you know of a talented violinist under 25 years of age, we need to hear from you.

There are wonderful prizes and the final judging will be held in Sydney at the International Convention.

The music competition will promote social and cultural understanding and appreciation and also emphasise our commitment to our youth.

There will be more details after the MD Council Meeting at the end of August. I have commenced my Zone Visits and we were warmly welcomed by Zone 3 Chair Janey Tham recently. Ern and I had a lovely night full of fun and fellowship! I was very honoured to welcome into the Lions family 6 new members to Sydney Inner West Lions Club and 2 new members to Sydney Central Lions Club. **Welcome and congratulations to these new Lions.**

A reminder of the District Convention at Bomaderry, November 13,14,15. is **ONLY TWELVE WEEKS AWAY!!** This should be a wonderful weekend, please consider attending. Also, for Partners a fantastic bus trip with lots of surprises.

Recently, Ern and I attended the opening of the new 60 room Aged Care Facility Yallambee Village at Reevesby. This village is a state of the art, it has every thing to make the residents feel at home. We were shown around the building and were entertained by the "Andrew Sisters" much to the delight of the residents. The Lions Clubs of Bankstown, Greenacre and Yagoona support both Yallambee Village and Gillawarna Village at St George's Hall. Lion Harvey Worth from Greenacre Club has been involved for over 30 years and is a member of the Board of Directors.

These facilities are part of the Bankstown City Aged Care Ltd. Lion Harvey took us on a tour of the Gillawarna Village and the coffee shop run by Lion Helen Williams and her trusty band of volunteers. We were so impressed with what we saw and the commitment of Lions Harvey, Helen and Barbara Bellenger.

All funds from the Coffee Shop and the Trading Table are used to make life more comfortable for the residents of Gillawarna.

Congratulations to the Lions from Greenacre, Bankstown and Yagoona Clubs for their commitment to the care and support of the aged in their community.

A Visit to the Indo-Chinese Elderly Hostel

While it may be common belief in the Chinese community that the nursing home is only a place where the frail elderly await their final years, the Lions Club of Sydney Chinese begs to differ

Sydney, NSW, 9 September 2009 - The Lions Club of Sydney Chinese has kick-started an intense empowerment campaign for Chinese elderly homes by visiting the Indo-Chinese Elderly Hostel, in a bid to change the misconception of nursing homes in the Chinese community.

After engaging in a home tour, intimate conversations and motivational activities with the staff and thirty residents, most of whom aged over 80 and had age-related illness, the Club left behind gift packs for the elderly and a donation of \$2,000 for their home.

Dr. Anthony Cheung, Immediate Past President of the Club, said: "Many Chinese may still think that nursing homes are places where the elderly are abandoned by their family and live their life miserably with no hope left. In reality, nursing houses help make the seniors feel better about themselves and enjoy life."

In fact, those in doubt would be amazed at how happy and relaxed the residents at the hostel were despite their physical problems. They gave a warm round of applause after each performance; they laughed at the jokes; they were excited about the

magic tricks; they even sang karaoke for the Lions as a thank-you gift.

The manager of the hostel revealed that many new residents were resistant to the idea of living in a nursing home at first; yet upon gaining first-hand experience after a few weeks, some even admitted they did not even want to go back and live with their families. In a nursing home, they enjoy traditional dishes, making friends, outings, handicraft activities and frequent family visits. More importantly, they are well taken care of by qualified staff who speak various Chinese dialects.

Dr. Danforn Lim, a doctor at Westmead Hospital and also a member of the Lions Club, said: "We believe this way of living is beneficial for the modern Chinese family. The children will be relieved from the enormous stress of work and family matters; while the seniors will be looked after and won't suffer from problems such as language barriers, social isolation or loneliness. It's a win-win situation for all."

送關愛 傳溫暖

一年一度的中秋佳節又快要到了。日前，雪梨華人獅子會一如往年的傳統，在會長鄭美霞女士的帶領下，到印支高齡宿舍進行送關愛傳溫暖活動，探訪了居住該處的數十名長者

會長鄭美霞女士，名譽會長張俊明博士以及一眾理事和會員等，攜帶著應節禮品于早上10時準時抵達位於Bonnyrigg 的印支高齡宿舍。除宿舍的工作人員外，不少長者早早就守候在門口，以熱情的笑容迎接訪客的到來。長者們早已把宿舍當作一個大家庭，不僅熱情招呼訪客，還主動帶各獅兄獅姐四處參觀。

聯歡會開始先由獅子會名譽會長張俊明博士代表眾獅友向長者問好，隨後印支高齡宿舍總經理韓女士也致以簡單的歡迎詞。隨後，各位獅友帶來了不少拿手的表演項目，長者們均陶醉在熱烈的歡樂氣氛中。節目包括由鄭美霞會長和宿舍信託人之一曾維佳先生合唱的『帝女花』；由張俊明博士獻上的一曲『明日天涯』；秘書關梁麗貞帶來充滿味道的『夜上海』並邊唱邊跳引來陣陣熱烈掌聲。接著有楊家太極扇演出和魔術表演，更是令各位老人家笑顏逐開。

最後，雪梨華人獅子會把一張兩千元的支票贈與印支高齡宿舍，以作鼓勵。

為答謝獅子會溫暖來訪，多位老人更破天荒站上舞臺合唱一曲『萬水千山總是情』以表謝意。全場所有的長者，獅友以及工作人員均隨著音樂打起了拍子，帶出一片樂也融融的溫馨景象。

居於宿舍內的一名長者陳敬表示：“子女工作忙，沒時間照顧我們，高齡宿舍卻給予我們無微不至的關懷和照顧，定期還有像獅子會這樣的慈善團體來探訪慰問，住在這裏，我覺得非常開心！”

會長鄭美霞女士也表示道：“在【我們服務】的獅子精神下，會員們不僅把歡樂帶給這些長者，在奉獻的同時，自身感到更加快樂。這是一次非常有意義的活動，也希望更多人參與到當中。”
